Resolutions of the directors of Animat Habitat ("OAFA") from 1 September 2018, confirmed at an annual meeting of the members of OAFA held on 15 September 2018, and appended to previous resolutions: 2017.09.15.

MINUTES

Considering additional resolutions.

2.1 PUBLICATION

Resolved that the official series of publications at OAFA be fixed to a model identified with these attributes:

a. Unique scene number that is incremented and lettered when written ("one" and "two" and so on);
b. Uniform scene title that is patterned in format, ("White [Animal]"), instead characterized with a unique typeface;
c. Unique feature habitat that is listed as a world heritage site of a select feature species;
d. Unique scene medium that toggles between digital and traditiona, with any exhibition of work also documented for the official series of publications at OAFA.

2.1.1 DATE OF PUBLICATION

Resolved that the release of the first publication at OAFA has moved to fall of 2020 as a result of studio collaboration on other wildlife conservation projects.

Members present:
- Art director and interim president, public accountant and secretary Dane Aleksander.
